RADIANCE REVEALING

For All Skin Types

For All Skin Types

For Instant Glow & Radiance

*"Help In Reducing
Wrinkles, Purifying Skin
As It Contains
Anti-ageing Properties"*

Active Molecules:

Glycerine

Vitis Vinifera

Aloe Vera

Diamond Dust

Allantoin

**STEP
1**

Diamond Facial Cleanser

A facial cleanser enriched with diamond ash, milli capsules remove makeup, dirt grime and pollution from the epidermal layer of the skin.

Active Ingredients:

Glycerin, Tocopheryl acetate, Aloe Barbadensis, Diamond Dust & Vitis Vinifera Extract etc.

Directions:

Take an appropriate amount of Diamond Facial Cleanser and apply evenly on a wet face. Then gently massage in circular and outward strokes for 5 minutes and rinse off with water or wipe off using moist cotton.

**STEP
2**

Diamond Facial Scrub

A mild facial scrub enriched with scrub particles and apricot kernel oil deeply exfoliates skin, making it a lot more smoother, shinier and softer.

Active Ingredients:

Olea europaea oil, Glycolic acid, Walnut Shell Power, Allantoin, Diamond dust (Mica & titanium Dioxide CI 77891), Citrus Limonum Peel Extract & Aloe Barbadensis Extract Etc.

Directions:

Take an appropriate amount of Diamond Facial Scrub and apply evenly on a clean face. Then gently scrub with feather-like circular and outward strokes for 5 to 8 minutes and rinse off with water.

**STEP
3**

Diamond Facial Gel

It helps to accelerate blood micro-circulation in skin, tightens the facial skin, reduces fine lines and prevents skin aging.

Active Ingredients:

Glycerin, Aloe barbadensis extract, Tocopheryl acetate, Diamond Dust (Mica & Titanium dioxide CI 77891), Vitis vinifera extract & Glycyrrhiza glabra extract

Directions:

Apply sufficient quantity of Diamond Facial Gel, all over the face and massage it gently in an upward circular motion.

**STEP
4**

Diamond Facial Cream

It stimulates blood microcirculation and thus delays the ageing of skin. It also lightens your skin and facial muscles.

Active Ingredients:

Bees Wax, Diamond dust (Mica & titanium dioxide Ci 77891), Olea europaea oil, Triticum vulgare oil, Allantoin, Aloe barbadensis (Aloevera) Extract, Citrus limonum Peel Extract.

Directions:

Take an appropriate amount of Diamond Facial Cream and apply on the face and neck. Gently massage till the cream is absorbed into the skin.

**STEP
5**

Diamond Facial Pack

A soothing refreshing pack gives skin smoothness, polishing, refreshment to the skin and helps to remove away dead cells and restore the radiance of skin.

Active Ingredients:

Emulsifying Wax, Glycerin, Acacia Gum, Xanthan Gum, Diamond Dust (Mica & titanium dioxide CI 77891), Vitis vinifera (Grape) Seed Oil, Prunus amygdalus dulcis oil, Citrus limonum peel extract, Allantoin, Aloe Barbadensis (Aloevera) Extract & Glycyrrhiza glabra extract etc.

Directions:

Apply Diamond Facial Pack in a thick layer over the face and neck area with fingertip or brush. Avoid the eye area and leave it till it dries off. To clean, use normal tap water.

Benefits of Aplomb Embellish Diamond Facial Kit

Exfoliates Skin and Prevents Ageing Issues:

Diamond Facial, a new innovation in facial treatments, has properties that help in exfoliation and rejuvenation. Diamond act as an excellent exfoliating agent as it offers longer exfoliating effect to the skin and removes dead cells. Besides, it can also help in reducing wrinkles, purifying skin as it contains anti-aging properties. Use of Aplomb Diamond Facial Kit boosts the metabolic functions of the skin, thereby, promotes regeneration of cellular life.

Treats Skin Flaws:

- It is useful for rough & dry skin
- It not only tones the skin but also removes the abundance of blackheads
 - It cleanses and improves the skin radiance
 - It removes dead cells and detoxifies the skin
 - Retains skin moisture
 - Suitable especially for mature skin
- It helps reduce the appearance of ageing signs, acne lesions and blemishes
 - It leaves the skin polished and luminous after a single session.
