Enriched with Argan Oil, Vit-E & Spirulina Algae

Aplomb Hair Serum is a styling product, which creates a protective layer on the hair surface. It can be used with routine hair oil, shampoo & conditioner for extra smoothness and shining. It's regular use is helpful in preventing breakage of frizzy hairs & damage of hair shaft from hot hair blow. It can be used for all hair types.

Argan Oil is helpful to moisturize the hair and scalp. It also helps to protect hair from everyday damage. By reducing breakage and split ends and keeping scalp healthy. Argan oil may help prevent hair loss for thicker & fuller hair.

Vitamin-E may help support a healthy scalp and hair as it has natural antioxidant effects that could assist with maintaining hair growth. The vitamin's antioxidant properties could help reduce the amount of oxidative stress and free radicals that cause the hair follicle cells in a person's scalp to break down.

Onion Oil on a regular basis will effectively prevent and treat baldness. Onion oil is rich in sulfur which prevents breakage, split ends and thinning of hair. Other nutrients present in onion prevents oxidation of hair. It also maintains the regular pH of the hair, preventing premature greying.

Hydrolyzed Soya Protein is used in hair care products to improve texture and to strengthen and repair hair that has been damaged. It's also great for hydration and giving your hair that beautiful glossy, shiny look.

Hydrolyzed Corn Protein is renowned as saviour for damaged hair that has been chemically treated, bleached or dyed. It helps to increase elasticity, strengthen the hair to minimise breakage and deeply moisturises the hair leaving it feeling hydrated and nourished.

Hydrolyzed Oats are known to make hair shiny, reduce breakage, soften, smoothen, repair and protect them from damage. Hydrolyzed Oat Flour protein forms a coating on the outside layers of hair strands, which can make hair thicker or volumized.

Spirulina is being widely used for promoting hair growth and to combat hair problems like thinning hair and baldness. Spirulina contains amino acids, essential fatty acids, Vitamin-A, beta-carotene are good for hair.

How To Apply

Wash hair with Aplomb Hair Shampoo. Apply sufficient amount of Aplomb Hair Serum on washed & towel dried hairs. If hair are not washed and dry, wet hairs slightly and then apply serum. Apply it on complete hair shaft from top to bottom with finger gaps.

For better result, use twice a day.
