Aplomb Rest-O-Calm is a Natural & Non Habit Forming
Herbal Solution to your sleep issues

Aplomb Rest-O-Calm Benefits:

Aplomb Rest-O-Calm helps in relieving stress, supporting better sleep quality with no drowsiness the following day. Each capsule contains Ashwagandha extract 435 mg, Shoden® (Bioactive Ashwagandha) extract 60 mg & Melatonin 5 mg.

Adaptogen to help manage stress:

Ashwagandha is a potent adaptogen that helps the body to cope up with daily stressors efficiently and promotes peaceful sleep. The most well-known natural ingredient with restorative and rejuvenating power is ideal for all lifestyles.

Natural Sleep with Bioactive Ashwagandha:

Natural Bioactive Ashwagandha contains the time-tested Ashwagandha (Indian ginseng), which has undergone a scientific extraction process by using a patented technology called Shoden®. Natural Bioactive Ashwagandha is present in its most potent form. It is a safe way to relax the mind and body and get quality sleep.

Improved & Restful sleep:

The body produces Melatonin naturally to ensure a good sleep, which always stands as an essential part of a healthy lifestyle. Get an improved quality sleep for the night by calming the body and reducing stress. It also helps to get an improved sleep cycle.

Non - Addictive with No Next Day Drowsiness:

Aplomb Rest-O-Calm can give sleep in the most natural manner with no morning fatigue or tiredness and is non- habit-forming in nature.

Safe & Effective:

Completely effective being safe, Aplomb Rest-O-Calm has been made with utmost care. Its manufacturing is certified with GMP, ISO and Kosher authentication.

Recommended Duration of Usage:

Take 1 capsule 1 hour before sleep time.
